1948 TOWN WARRANT

Article 1. To choose by ballot and major vote, one Selectman for three years, Town Clerk, Treasurer, Collector of Taxes and two Auditors for ensuing year.

Article 2. To choose all other necessary town officers.

Article 3. To raise such sums of money as are necessary for the support of the town poor and other town charges.

Article 4. To see what sums of money the town will raise for Maintenance of Town Roads and Bridges.

Article 5. To see if the town will vote to raise \$858.28 and the State's share to be \$3,433.10 for T.R.A.

Article 6. To see if the town will raise a sum of money for the Barrington Library.

Article 7. To see if the town will vote to raise \$75.00 for the Lakes Region.

Article 8. To see if the town will vote to raise \$100.00 for the V.F.W. for Memorial Day.

Article 9. To see if the town will authorize the Selectmen to borrow \$5,000.00 in anticipation of taxes.

Article 10. To see if the town will vote to raise \$400.00 for pine blister rust.

Article 11. To see if the town will vote to give the selectmen permission to sell property acquired by them by tax sales. This Article to become law until repealed at some future Town Meeting.

W. H. FELKER,
HAROLD R. TAYLOR,
WILLIAM A. HALEY,

Selectmen.

Report of Memorial Day Expenses as of May 30, 1947

22 piece band	\$ 66.00
Mr. E. E. Wiggin, leader	1.40
Flags	2.60
Flowers and wreath	5.00
	<hr/>
	\$ 75.00

We were fortunate in securing Hon. Chester E. Merrow as speaker of the day (without expense.)

Due to a serious shortage of flags we were very fortunate to have received a donation from the Veterans of Foreign Wars Post of Dover; even with this donation we fell short of a number of flags for some of our Civil War Veterans' graves which we feel we should care for at least once a year.

This report is submitted to the voters of the town of Barrington by Hanson-Keliher Post 6804, Veterans of Foreign Wars of the U. S.

Signed, SUMNER C. HAYES
LEO C. LOWRY, Q.M.
HAROLD W. HENDERSON

Eleven fires . . . nine in town . . . two out of town.

Nine fires in wooded areas of the town, one which was serious. Answered many false alarms and chased them until satisfied there was no fire. There were two out of town calls (forest fires) in Dover and Rochester to which we were called.

The fire at McCarthy's started in a partly torn down barn, and spread to a camp, then to the woods. No doubt this fire was caused by carelessness of some person or persons, either by throwing a lighted match or cigarette.

If it were not for the splendid cooperation of the people of the town and of our neighboring towns and cities, it could have been as disastrous a fire as Rochester, Farmington and other sections of New Hampshire and Maine, with hundreds of acres of valuable wood, lumber, and many homes destroyed.

I want to thank all who helped in any way at the McCarthy fire, and also the following men and organizations who sent equipment and men: Chief Seavey of Rochester, Chief Knott of Dover, Chief Holden of Newington, State Forestry Dept., Towns of Lee, Madbury, Strafford Bow Lake, Strafford Center, Durham, University of New Hampshire, and the tank trucks from Dover and other cities and towns. The traffic and radio contacts were well handled by the state police and guards sent by Chief Redden of Rochester.

The Red Cross, Salvation Army and our Ladies' Firemen's Auxiliary were also on the job day and night, with coffee, food, and tonic.

Our Voluntary Fire Department arrived at the fires very promptly and held them down within very small areas and a small loss.

Nine fires, with a total of eighty-five acres (of which seventy-five acres was the McCarthy fire) showed the

value of our Department, and it should be backed to the limit.

During the emergency all roads were patrolled. State roads were patrolled by State Highway Department (day-time), and all roads by volunteers both day and night. Thirty-one fire permits were issued. *IT IS NECESSARY FOR ONE TO HAVE A PERMIT BEFORE KINDLING ANY OUTSIDE FIRE. (It Pays to be Careful.)*

HAROLD E. FLOWER,

Fire Warden.

Barrington, New Hampshire

VOLUNTEER FIRE DEPARTMENT

The Barrington Volunteer Firemen's Association, an independent unit, is eager to provide fire fighting equipment and crews to any property owner of the town at all times and cooperate with neighboring towns, in exchange for the payment by the town of maintenance cost of equipment.

At present the department consists of two trucks, two portable pumps, a heated firehouse and other equipment mainly owned by the Association.

Membership in this Association entitles each to a vote in its affairs and also provides each member with insurance while acting as a volunteer fireman.

In order to provide the best possible service your membership is desired.

SUMNER A. HAYES,

Chief.

REPORT OF SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL BOARD AND CITIZENS OF BARRINGTON:

The program of legislation anticipated a year ago has been enacted and is in operation. Barrington will receive this year in state aid the sum of \$12,377.85, or an increase of \$7,259.88 over last year. Besides the new equalization act, which increased state aid in New Hampshire by about 400%, the following laws were passed by the General Court:

To permit the establishment of cooperative school districts.

Increasing the school district debt limit from 2% of the valuation to 5%, or 8% in special cases.

Enabling districts to accumulate a capital reserve fund for improvements.

Improving the teachers' retirement act and admitting school nurses and teachers in approved public academies.

An irksome provision requiring repayment of tuition to the teachers' colleges for graduates not teaching in the state a specified length of time was repealed. Provision is made for scholarships to be granted by the State Board of Education to high school graduates desiring to become teachers and otherwise unable to attend.

Providing for the examination and treatment of problem children temporarily in a receiving home.

Establishing a Director of Nursing Education.

Fostering vocational education through a program of apprenticeship in industry.

This legislation is set forth in full in Institute Circular No. 174 entitled "Educational Legislation of 1947" (State Board of Education, Concord, N. H.)

Further regulations have been made by the State Board of Education as follows:

Minimum Standards for Teachers' Salaries

1. Less than 4 years of college preparation and less than 5 years of experience, \$1,700.
2. Regularly certified, with less than 4 years of college preparation but with 5 years of experience, \$1,800.
3. Regularly certified, with 4 years college preparation but less than 3 years of experience, \$1,800.
4. Regularly certified, with 4 years of college preparation and 3 years of experience, \$2,000.

The effect of the above regulation is already beginning to be felt in the supply of available teachers and candidates for teacher-training.

The regulations governing the approval of superintendents, headmasters, principals, teachers, and other educational personnel in the public schools of New Hampshire have been revised, with the establishment of an advisory board on problems of certification. Certificates hereafter will be for a period of seven years, instead of for life, and will depend for their renewal on the completion of six semester hours of professional study (the equivalent of three extension courses or one full summer school).

Another state regulation provides that schools shall hereafter actually be in session 180 days per year (less 5 days of an intensive professional "workshop" if offered locally). Such weeklong institutes would give opportunity for teachers to satisfy the credit requirements of the foregoing paragraph. The additional requirements in regard to certification and length of school year should be borne in mind in connection with the minimum salary regulation.

The legislature provided for special district meetings in the summer to make revised appropriations necessitated by the new laws and regulations.

Dr. Gertrude M. Lewis, recently appointed state supervisor of elementary education, has visited the grade schools in the district and conferred with teachers.

The present organization of the schools is as follows:

<i>Room</i>	<i>Grades</i>	<i>Teacher</i>	<i>Pupils</i>
Primary	1	Miss Florys E. Smith	25
Intermediate	2, 3	Mrs. Mina F. Sanders	37
Additional	4	Mrs. Sarah E. Huckins	27
Grammar	5, 6	Mrs. Frances K. Wood	25
Junior	7, 8	Mrs. Ruth V. Scruton, <i>Prin.</i>	29
Total			143

Tuition Pupils Enrolled in High Schools

Dover	39
Spaulding (Rochester)	11
Total	50

The school nurse, Miss Myrtle Fletcher, R.N., reports 135 examinations made last year, besides incidental inspections. Physical defects were reported to parents and classified. Many were treated and improved during the year with the cooperation of homes and physicians. The nurse conducted an audiometer test of hearing, and organized the dental clinic. Fluorine, a remarkable new preventive treatment for tooth preservation, was administered under state auspices. Miss Fletcher also accompanied several children out of town to be fitted for glasses or to have arrangements made for tonsil operations.

The school lunch has been continued, with the help of a district appropriation and the continuance of federal food aid. On recommendation of the state lunch supervisor, the lunch tables have been set up adjacent to the kitchen.

The pupils have been very helpful in assuming responsibilities in connection with setting the tables and serving the lunch, under the guidance of the teachers and lunch personnel. The school board has provided a folding partition of asbestos board between the lunch room and the basement classroom.

Last year the eighth grade, accompanied by their teacher, visited the county offices and the state legislature, through the kindness of County Commissioner Harold E. Flower of Barrington.
